

Welcome to Year 4
2026-2027

Miss McPoland
Mrs Fullbrook

How you can help at home

- **Reading at home each day (filling in the reading record)**
- **Practicing TT rock stars each day**
- **Practicing the year 4 spelling words**

We have created some packs to help with this that you are welcome to take home today. They include all the times tables the children need to know, all the spellings they should know at the end of Year 4. The pack also includes some question prompts to ask children when reading at home.

Useful websites to use at home

- www.stjohns.reading.sch.uk The school webpage - Please check the school website regularly for copies of the newsletters, copies of the Knowledge organisers, etc.,
- www.ttrockstars.com – a fun and way for the children to practise their times tables
- <https://www.purplemash.com/sch/stjohnsrg1> - this is where the children's homework will be set (every Friday)
- <https://urbrainy.com/mtc> - similar to the MTC test they will take later in the year.

SINGLE PLAYER

Game types explained

JAMMING

Take it easy

GIG

Perform once a month

GARAGE

Complete your heatmap

STUDIO

Get a rock status

SOUNDCHECK

Practise for MTC

PE Kits

- ❓ PE takes place on Tuesdays and Thursdays .

Please ensure that your child comes into school in PE kit (school appropriate) on this day.

- ❓ No child can take part if they are wearing earrings!
- ❓ Labelled kit and uniform

Classroom Expectations

- ▶ Early nights
- ▶ Arriving on time to school
- ▶ No toys or precious objects in school
- ▶ Healthy snack and a named bottle of water
- ▶ Long hair to be tied back
- ▶ All children are expected to follow school and class rules

Policies to be aware of

- ▶ All policies can be found on our school website.

Maths - Year 4 expectations

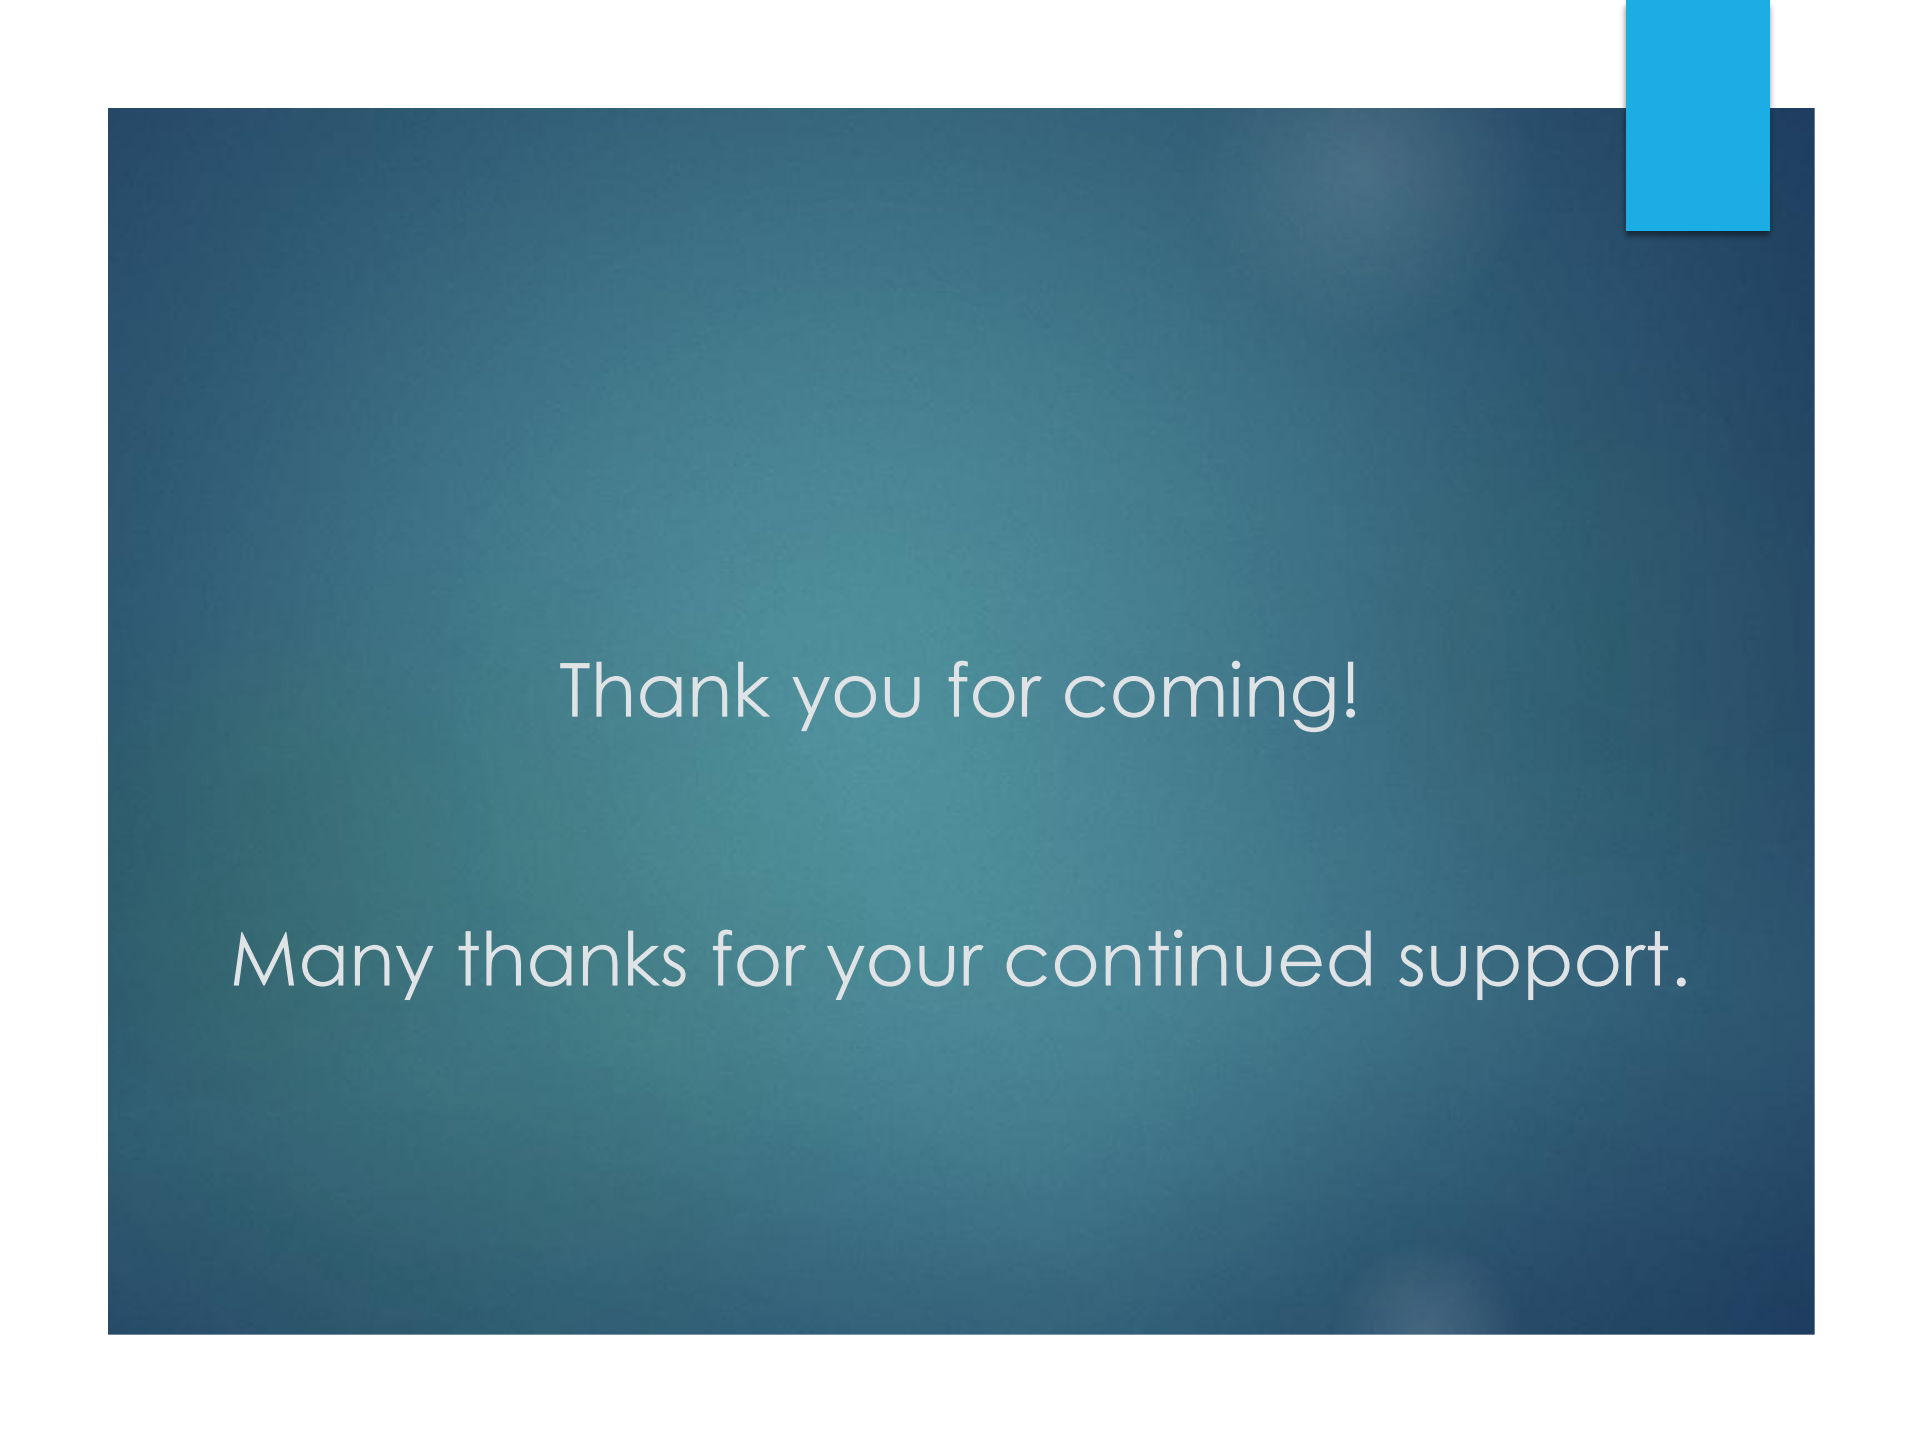

- ▶ Understand place value, round and order 4 digit whole numbers, including negative numbers
- ▶ To know Roman numerals up to 100.
- ▶ Use decimal notation for tenths and hundredths and relate them to money and measurements.
- ▶ To mentally add and subtract pairs of two digit numbers
- ▶ Know all times tables facts up to 12×12 , and their corresponding division facts. Know multiples of 6, 7, 25 and 100.
- ▶ Use formal written methods (column) of addition and subtraction. To multiply and divide using formal written layouts (see calculation policy)
- ▶ Read different scales, understand and convert different units of measurement, eg ml and l, g and kg, mm, cm, m and km and solve problems using these conversions.
- ▶ Read, write and convert time between analogue and digital 12 and 24 hour clocks
- ▶ Recognise and write fractions including decimal equivalents.

Creative Curriculum
