Phonics screening check

Phonics Screening Check Practice Videos

Scan each QR code or click the link to watch a review lesson of a specific sound your child will need to know and be confident with for the Phonics Screening Check straight after half term. These are the more challenging sounds so will provide your children with valuable extra practice to build their accuracy. You can choose how often they watch these videos, as long as they join in with the teacher in the video and take part! We would recommend watching at least 3 of these per week as a guide.

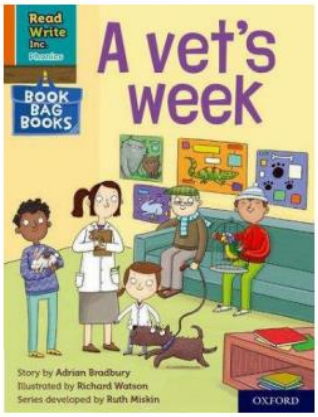

Top Tip: If you have a smart phone (Android or Apple), you can scan the QR codes below using your phone or tablet's camera and select 'Smart View' or 'Screen Mirroring' from the options presented when swiping down the notifications bar at the top of your phone to view these videos on a larger Smart TV at home.

In addition to these videos, reading daily will help to reinforce your child's confidence in accurately decoding words.

We hope this resource is helpful and aids children in feeling more confident in their reading ☺
